

# How to book online

Congratulations on your pregnancy and thank you for choosing Waverley Private Hospital for the birth of your baby. We aim to ensure your admission process runs smoothly, and everything is ready for you when you arrive at reception on the day of your admission.

So everything is ready for you when you arrive at Waverley Private Hospital, we ask that you complete our online booking registration form at your earliest convenience. We recommend you allow 30 minutes for this process. Please ensure you have your private health insurance details and Medicare number on hand.

You will receive an automatic email reply to confirm that your online registration has been received. MyCare will save your admission information in your secure account. If you need to be admitted to the Hospital again you can log in and submit a new form where you will have the option to update any information that may have changed from your previous admission.

If you have any queries, please don't hesitate to call **(03) 9881 7700 (8am – 8 pm)**.

### Step 1 [waverleyprivate.com.au](http://waverleyprivate.com.au)

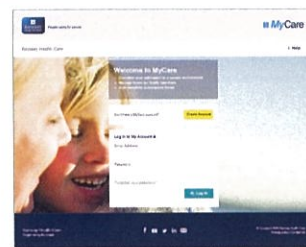

- Log onto the Waverley Private Hospital Website
- Click on the Online Admission Form Button and follow the link

### Step 2 MyCare

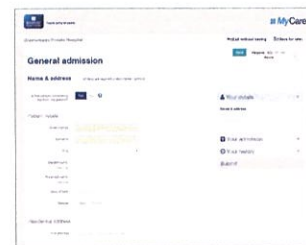

- Create an account with your email address and password
- OR**
- Login with existing account details
  - Complete a new form

Information will be saved for subsequent admissions. Multiple family members can be managed under one account.

### Step 3 Maternity Admission Form

- Complete the Maternity Admission Form and submit to register your admission
- You will receive a confirmation email

**Consent For Treatment Form:** The Consent form cannot be completed online. Therefore this form will need to be completed prior to your admission. If you are given the consent form by your Doctor it is important that you bring this with you on the day of admission.
